

BLACK SWAN ENERGY LTD ANNOUNCES FORMATION OF NEW EXPLORATION AND PRODUCTION COMPANY IN CALGARY

Veteran Management Team led by David Maddison Targets Western Canada Oil and Gas Resource Development

Calgary, Alberta, April 12, 2011 – Black Swan Energy Ltd (“Black Swan” or the “Company”), a privately held oil and gas exploration and production company, today announced that Warburg Pincus, the Canada Pension Plan Investment Board and KERN Partners have agreed to invest up to C\$350 million in the Company.

The Company is led by former Talisman Energy Inc. executives David Maddison and Marc Mereau. Mr. Maddison and Mr. Mereau each spent approximately 30 years at Talisman Energy and its predecessors, and were most recently in senior leadership roles supporting development of key North American plays.

Black Swan CEO, David Maddison, said, “This initial investment marks the first step in the development of our company. Having financial partners of this caliber and with this level of industry experience gives us great confidence in the strength of our business plan.”

Black Swan expects to create value through the exploration and development of proven hydrocarbon trends in the Western Canadian Sedimentary Basin.

David Krieger, Managing Director at Warburg Pincus, commented, “We are pleased to be partnering with this proven management team and our co-investors. We look forward to working with Black Swan as the company explores and develops the large resource base believed to be recoverable in Western Canada.”

Dr. James Buckee, formerly CEO of Talisman Energy, and Jackie Sheppard, formerly EVP Corporate and Legal at Talisman, have joined Black Swan’s Board of Directors, with Jackie Sheppard in the role of Lead Director.

Black Swan Energy Ltd is a private-equity backed exploration and production company formed in 2010 and headquartered in Calgary, Alberta. For more information, visit www.blackswanenergy.com or contact Black Swan at info@blackswanenergy.com or at (403) 875-7800.
